Important

Please note if the client is non resident and/or a non-UK national please also provide a black and white copy of the client's current passport or EU ID Card (This is mandatory).

Please note that whilst we are happy to accept a properly completed IVC, following the 2007 Money Laundering Regulations, some investment institutions particularly where the client has been included in the account opening process now want us to do our own money laundering of the client because of the provision that prohibits "passing on" verification carried out by another firm. We would therefore recommend that copies of all client documents seen by you should accompany your IVC so we may carry out our own money laundering should the need arise. We also reserve the right on a random basis to request sight of the original documents in order to comply with the regulators guidance on best practice for fighting Financial Crime.

Explanatory Notes

1. A separate confirmation must be completed for each customer (e.g. joint holders, trustee cases and joint life cases). Where a third party is involved, e.g. a payer of contributions who is different from the customer, the identity of that person must also be verified, and a confirmation provided.
2. This Form cannot be used to verify the identity of any customer that falls into one of the following categories:
 - Those who are exempt from verification as being an existing client of the introducing firm prior to the introduction of the requirement for such verification
 - Those whose identity has not been verified by virtue of the application of a permitted exemption under the Money Laundering Regulations or
 - Those whose identity has been verified using the source of funds as evidence.
3. This confirmation must carry an original signature, or an electronic equivalent.
