* The part of the fund on which you have drawn benefits is known as the crystallised part and the part on which you have not drawn benefits is the uncrystallised part.

Please tick the appropriate box to indicate whether the crystallised part is in:

Capped Drawdown Flexi-access Drawdown

Does this represent the full value of the Scheme being transferred?

Yes No

If both uncrystallised and crystallised pension arrangements are to be transferred we will open a SIPP arrangement for you for your uncrystallised funds and an Income Transfer Plan (ITP) arrangement for your crystallised funds. Both parts will be held under the same Plan.

Are any assets to be re-registered into the SIPP as part of an in specie transfer value?

Yes No

If 'Yes' Wealthtime will require a current valuation from the transferring scheme and a list of assets including asset/unit holding, price and value. Wealthtime will then confirm which assets can be re-registered. If you send this information with this Form then this could speed up the transfer process.

Some providers will insist on receipt of their own completed Discharge Forms which you can obtain from your existing pension provider. Alternatively, Wealthtime is a user of the Origo Options Transfer Service and if your existing pension provider is also a user of this service then we will not require a completed Discharge Form.

A2 Cancellation Rights

You will have 30 calendar days during which you have the right to change your mind by sending the cancellation notice back to Wealthtime. If you choose to cancel the transfer under the terms of the cancellation rights, we will transfer any monies received in respect of the transfer, to the pension provider chosen by you less any fall in investment value. If the value of your investments has fallen at the time they are sold by your Financial Adviser, the amount repaid may be less than the amount originally transferred in.

A3 Client Declaration

A) To Wealthtime

I hereby consent to Wealthtime requesting the transfer of my entitlement to benefits from the above named scheme, and for Wealthtime to obtain relevant details from this scheme.

I accept that the benefits to be provided by the receiving scheme may be in a different form and of a different amount to those which would have been payable by the transferring scheme, and there is no statutory requirement on the receiving scheme to provide for survivor's benefits out of the transfer payment.

I understand any enhanced protection will be lost if the transfer is not a 'permitted transfer', as defined by HM Revenue & Customs legislation.

I understand that any entitlement to take lump sum rights in excess of 25% may only be retained on transfer, provided the transfer is part of a block transfer as defined by HM Revenue & Customs legislation. However, I understand that if this lump sum figure is over £375,000 and I have Enhanced or Primary Protection the lump sum on these certificates will take precedence.

I understand that any low retirement age may only be retained on transfer if it is part of a block transfer as defined by HM Revenue & Customs legislation.

I understand that Wealthtime will not pay any benefits on the funds that are transferred until all relevant transfer information has been received.

I promise to accept responsibility in respect of any claims, losses and expenses that Wealthtime and the transferring provider(s) may incur as a result of any incorrect information provided by me in this application or of any failure on my part to comply with any aspect of this application.

I understand it is a serious offence to make false statements and that the penalties are severe and could lead to prosecution.

B) To the Current Provider

I authorise and instruct you to transfer the funds referred to in this SIPP Transfer In Form directly to Wealthtime. Where you have asked me to give you any original policy documents in return for the transfer of funds and I am unable to do so I promise to accept responsibility for any claims, losses and expenses of any nature which you may incur as a result of having made the transfer(s) specified above.

I authorise you to release all necessary information to Wealthtime to enable the transfer of funds to Wealthtime. I authorise you to obtain from and release to the financial adviser named in this application any additional information that may be required to enable the transfer of funds.

If an employer is paying contributions to any of the plans referred to above, I authorise you to release to that employer any relevant information in connection with the transfer of funds from the relevant scheme.

Until this application is accepted and complete, Wealthtime's responsibility is limited to the return of the total payment(s) to you.

Where the payment(s) made to Wealthtime represents all of the funds under the scheme(s) specified above then payment made as requested will discharge you of all claims and responsibilities in respect of the said scheme.

Where the payment(s) made to Wealthtime represents part of the funds under the scheme(s) listed, then you will be discharged of all claims and responsibilities only in respect of the part of the scheme(s) represented by the payment(s).

I promise to accept responsibility in respect of any claims, losses and expenses that Wealthtime and the transferring provider(s) may incur as a result of any incorrect information provided by me in this application or of any failure on my part to comply with any aspect of this application.
