

COVID-19 Service update from Wealthtime

The wellbeing and safety of our team is paramount and we will be further reducing the number of team members in our office from Monday 30th March.

Whilst they will continue to work remotely from home, it will leave a significantly reduced number of people in the office to carry out essential tasks to support our home based staff.

Therefore, could we please ask that you only get in touch by telephone if it's absolutely essential and cannot be dealt with via secure message. If our call numbers continue at the current volume then it will be difficult for us to answer or respond quickly from Monday onwards.

Thanking you in advance for your support and understanding in this matter.

Best wishes and good health.

The Wealthtime Team
